COLLEGE RECEIVES HALF-MILLION GRANT FOR NEW PROGRAM TO AID STUDENTS

Cal State has been awarded a four-year \$500,000 grant from the Department of Education for a new program designed to provide comprehensive support services for students experiencing academic difficulties.

vide comprehensive support services for students experiencing academic difficulties.

Coordinator of the program will be Jean Peacock, who teamed with Walter Hawkins, director of the college's Educational Opportunity Program, to co-author the program proposal.

The purpose of the new program is to help a broad spectrum of students whose academic troubles stem from a variety of problems: a weak educational background, a different cultural background, low-income family, limited English-speaking ability, a physical handicap, or veterans, for example.

In its early stages, the program will coordinate with existing support services on campus and will later seek to develop new areas to help strengthen students' remedial skills. A major thrust will be the implementation of six courses in the areas of: reading, math, writing, English, life workshops and study skills.

The project will be under the Department of Educational Support Services, formerly the Special Services Program. The office will be located in Trailer One behind the Students Services Building, ext. 7395.

RESIDENT HALLS FILLING TO CAPACITY

For the first time in Serrano Village history there is a waiting list. All spaces for men in the resident halls have been filled and a waiting list is in effect. On Thursday only four spaces remained

for women and those were expected to be filled by this weekend with a waiting list to follow.

Volume in the dorms has been growing steadily at a 15 percent rate each year for the last four years. During the 1979-80 academic year the resident halls were 87 percent filled.

The total capacity of the eight resident halls is 416, including resident assistants. Composition of the population this year is approximately 55 percent male to 45 percent female.

CAL STATE HAS ADMINISTRATIVE INTERNS FROM CHICO STATE

Dr. Herman Ellis, a counselor from Chico State University, will be working at Cal State this year as one of 19 administrative fellows chosen by the California

State University and Colleges system for the 1980-81 academic year.

In its third year, the administrative fellow program provides career advancement in educational administration to employees of the CSUC system.

Dr. Ellis has been assigned to the Office of Academic Planning under the direction of Dr. Ralph Petrucci, dean. He will be working on curricular development, the advising system and other special projects in the office.

In addition to working with the Counseling Center at Chico, Ellis is an assistant to the director of the Educational Opportunity Program and teaches study skills.

At Cal State his office will be located in Room 127 of the Student Services Building. His phone extension will be 7610.

Ellis was chosen by the Chancellor's Office from among 41 candidates after being nominated by Chico President Dr. Robin Wilson.

CHESS CLUB BEGINS FIVE WEEK TOURNEY

The Cal State Chess Club, Woodpushers Anonymous, will sponsor a five-week tournament beginning Sept. 25. It will be held Thursday evenings in the Student Union through Oct. 23. Games will begin at 8 p.m.

Doors will open at 7:30 for contestants who wish to practice.

The tourney is open to students and community members. All contestants must be members of the United States Chess Federation. Interested players may join USCF at the first meeting. Entry fee is \$5 per contestant; membership in USCF is \$20.

PERIOD FOR ENROLLMENT/CHANGE OF HEALTH INSURANCE BEGINS

The annual open enrollment period for the State Employees' Medical and Hospital Care Program is now in effect through Oct. 30.

Employees who wish to enroll or change their coverage in any way must contact the Personnel Office by Oct. 30 to complete the necessary documents.

Employees who do not wish to change plans, add, or delete family members do not need to contact the Personnel Office. The enrollments of these employees will remain in effect.

For all enrollments and or changes made by Oct. 30, the effective date will be Dec. 1.

Further information is available by calling the Personnel Office, ext. 7205.

J. C. ROBINSON'S TITLE CHANGES

Dr. J. C. Robinson's title has been changed from associate dean for academic affairs to associate vice president for academic affairs, effective immediately.

Dr. Robinson's responsibilities, which will not change, include matters relating to faculty personnel such as hiring of part-time faculty, management of the retention, promotion and tenure process and faculty grievance procedures. The change brings his title into conformity with that used on other campuses.

PROFESSIONAL ACTIVITIES

Dr. Marilyn Ambrose (Education) served on the accreditation team for the National Association of Trade and Technical Schools this summer in evaluating curriculum, faculty, students and facilities on several Southern California Trade Schools.

Dr. Sheldon Kamieniecki (Political Science) served as a consultant for the U.S. Environmental Protection Agency this summer on the Stringfellow Toxic Waste Disposal Site in Riverside County. His research primarily dealt with the interaction between government leaders and area residents in abating the "acid pits." His studies are reported in "The Politics of Toxic Waste Management: The Case of Stringfellow Disposal Site in Southern California," and will be used by EPA officials to set public participation guidelines for the abatement of other chemical dump sites across the country.

PUBLICATIONS

Dr. Robert Blackey (History) has a review "Free At Last: Portuguese Colonies After Independence" in the 1979 issue of the ASA Review of Books (African Studies Association).

Dr. Jim Rogers (Business Administration) presented a paper "Design Engineers' Conceptualization of User Skills" at the annual meeting of the American Psychological Association in Montreal, Canada Sept. 1-5. Co-author of the paper was John E. Robinson, Jr., of Hughes Aircraft Company.

IMPORTANT DATES AND TIMES FOR REGISTRATION/CLASSES

Registration for the fall quarter begins Monday, Sept. 22 and with it comes a list of important dates and times.

Registration will take place in the gym Monday from 10 a.m. to 1 p.m. and 2:30-6 p.m. Tuesday hours will be from 10 a.m. to 1 p.m. and 2:30-7 p.m. After 5:30 on both days, time is set aside for people who couldn't register during their schedule period. All people who applied after Aug. 22 will register after 5:30 p.m., Sept. 23.

Late registration will take place in the Lower Commons Sept. 25 from 9 a.m. to 6:30 p.m. and Sept. 26 from 9-5 p.m.

All late registration activity and the adding and dropping of classes will be handled in Room 146 of the Student Services Building beginning Sept. 29 from 9 a.m. to 6:30 p.m. and from 9-6 p.m. Sept. 30-Oct. 1. The last day to add a class is Oct. 1. The last day to drop a class and file for a refund is Oct. 8. The last possible day to drop a class is Oct. 8.

DEPARTMENT OF SPECIAL SERVICES UNDERGOES NAME CHANGE

The name of the Department of Special Services has been changed to the Department of Educational Support Services, effective this month.

The change was made to avoid confusion between this department, which is under Associate Dean Tom Rivera, and other programs on campus with similar names.

It also was deemed appropriate to select a name that was more encompassing and would better reflect all areas in the department.

Areas under Educational Support Services include these: EOP, Upward Bound, Veteran's Services, Children's Center, Disabled Student Services, Student Affirmative Action, and the Student Assistance in Learning Program.

The department office has not moved and the extension will remain the same, 7395.

The California State College, San Bernardino BULLETIN is published Fridays by the Public Affairs Office, AD 117, extension 7558. Items for publication should be received in writing by noon Tuesday.
